So I'm Learning so much about myself and my disease, Drugs. I've been clean and sober for 6 months. I Give all the credit to God for steping into my life when He did. So Harold I'll contact you again once I made it home, and thanks again for your concern for me, when you knew I needed someone to be there. May God always bless you and your love ones always. Take care Harold and my prayer will always be with you both. Thanks!
